Joe Flanagan took numerous Champion and Reserve Champions for Nick (Court Jester) as well as Bernstein (Farnley Hi Aleah). He has started showing Vanna (Spotless in Fluvanna—this is Leslie’s paint without the ‘spots’) and is also starting to help out with the lesson program on Sundays and Wednesdays.

He will be out hunting this year as well.

What a great summer we have had here. So many new faces and so very many new experiences! We had a different June camp this year with our advanced students working as counselors-in-training (CIT) and they did a great job and made some new friends as well. Our CITs were **Tristen McCain**, **Enya von Schill**, **Melinda Critzer**, **Adrienne Brown**, and **Crystal Jones**. They are also doing some foxhunting this year and started out after the June camp with some Walk and Talks hosted by Farmington Hunt Club. **Chelsea Meynig** was back from her vacation and joined us riding Curious George, who was a handful! One of our June campers, **Timmera Booker** is now riding him and making him her own special project with our Sunday group. **Timmera** as well as **Michelle Miles** joined in on the Easy Hunt Series this year and did great on Annica and Uptown Girl—Jazzy, respectively. Each was in the ribbons for the Pre-Short Stirrup Division. Michelle's mom **Kirsten**, is riding on Saturdays now.

The *Easy Hunt* show series has been wonderful this year with so many moving up and doing new divisions and winning nicely:

Melinda Critzer has her nice share of Champion ribbons on Jigger (Jack of Hearts) What a nice pair they are! **Tristen** has had her chestnut mare Holly (Tristen's Holiday) at the series when she didn't ride Stormy (Sterling Mark). **Enya von Schill** had Max in the Long Stirrup this year and had a nice crop of wins! **Isabel Joseph** was missed as her summer vacation was just that—all summer! She is back and continuing the winning streak on **Lindsey Gorsch's** little Annica. Lindsey is doing her lessons with her dad **Stefan** who wants to take Nick out hunting perhaps next season. We can make that work! **Lisa Gorsch** is riding Nick when Stefan is out of town and rides nicely! **Adrienne Brown** took Laverne to the July and August shows and got Champion for Pleasure and Low Hunter. Laverne loves to jump and is fit and happy. She took her owner **Melinda** for a nice ride on one of our late summer Walk and Talks with Farmington.

Jennifer Campbell had Eric at the show and did a lovely job taking away a 2nd in Low Hunter for the August show. Eric is showing his talent now, and he loves to jump, too. **Rhiannon Campbell** had her young new horse Snickers (Grand Slam Amigo) at the show, as well as her steady little mare Belle (BelleStarr) who is also her foxhunter. **Jenna Brownlee** has happily ridden Jazzy (Uptown Girl) in Short Stirrup winning some lovely Champion and Reserve ribbons

In other news—**Jessica Kaisoum** is cantering & jumping, **Jaden Willis** and her sister Cassity are riding on Wednesdays now and **Jaden** is cantering. **Amanda Lane** and Tiki are doing well and have been by to see us with Mike, and **Louie Fusaro** is riding Jasmine and Jigger on Saturdays, now. **Jenny Peterson** is now riding with her daughters **Hannah** and **Alex** on Saturdays. A fun family group!
